Adding, Changing, or Dropping Courses

Students who wish to add a course, substitute one course for another, or withdraw from a course must do so through [Colleague Student Self-Service](#), or in writing through the Office of the Registrar. Specific dates and deadlines for course changes and withdrawals are outlined in the [Academic Calendar](#).

It is the student's responsibility to initiate course changes. Discontinuing attendance in classes or notifying an instructor does not constitute an official withdrawal from a course. To ensure a smooth transfer of credits from Acadia University to your Home Institution, please inform your Home Institution to any course changes.

Course Offerings & How To:

Please follow the guide on '[How to register for a course](#)' and dive into our [course catalog](#), spanning a variety of disciplines.

If you are attempting to register for courses with pre-requisite restrictions and the system is not allowing you, you will need to contact Jennifer Gerrits in the Registrar's Office and she can liaise with the respective academic departments to help you get registered.

Course Withdrawal:

The time in which a student withdraws from a course has implications for the grade received. Deadlines are specified in the Academic Calendar.

- To receive a No Record Withdrawal (course does not appear on the transcript), a student must withdraw by the 'Last day to withdraw from a Fall/Winter course without a "W" appearing on the transcript' deadline.
- To receive a 'W' (Withdrawal), a student must withdraw by the 'Last day to withdraw from a Fall/Winter term course and receive a "W". Any Fall/Winter course withdrawals after today will receive an "F" grade.' deadline.
